

Love your doctor?

Nominate him or her to be
The Crary Buchanan 2010 Primary Care Physician of the Year!

Your primary care physician
means a lot to you.

Your doctor means a lot to us, too. The Crary Buchanan Law Firm, an integral part of our community since 1927, has sponsored the Physician of the Year Award because we care about the residents of Martin and St. Lucie counties. They are our family members, friends, neighbors and clients.

We know that primary care physicians may not always get the recognition they deserve, but we literally couldn't live without them.

Let us know why your primary care doctor deserves to be The 2010 Crary Buchanan Primary Care Physician of the Year.

An independent panel of judges will select the award winner and the winning doctor will be honored at Martin Memorial's Doctors' Day Celebration at the end of March.

Here's what to do:

1. Make sure your doctor is in family practice or internal medicine and is a member of the Martin Memorial Medical Staff. (In other words, he or she has privileges to admit you to a Martin Memorial facility if necessary.)
2. Write a letter, no more than 150 words, that explains how your doctor:
 - Cares for you, cares for patients.
 - Works on behalf of the health of the community as a whole.
 - Deserves to be honored as the Primary Care Physician of the Year.

Sign your name and give us your address, which will be used only for verification of the nomination.

3. Mail your nomination in time to be received on or before **March 10, 2010** to: The Crary Buchanan Primary Care Physician of the Year Award, 555 Colorado Ave., Stuart, FL 34994.
